### **GDS DIGITAL SYSTEMS, NATIONAL CHAMPION IN THE EUROPEAN BUSINESS AWARDS 2014/15**

*GDS Digital Systems wins the title of National Champion in the  
European Business Awards  
for the Customer Focus category*

**GDS Digital Systems** from **Greece** has been named "**National Champion**" in The **European Business Awards** sponsored by **RSM International**; a prestigious competition supported by business leaders, academics, media and political representatives from across Europe. The European Business Awards now in its 8th year engaged with over 24,000 businesses from 33 European countries and 709 companies from across Europe have been named as National Champions moving on to the second phase of the competition.

The company covers the entire range of building electronics and provides solutions for all subsystems of a building to work together seamlessly and to ensure **safety, energy saving, ease of handling, comfort, functionality** and **aesthetic** design. The **vision of GDS** is to create **user friendly** buildings, ensure **safety, comfortable living** and **energy saving**.

**GDS** with **15 years** of dynamic presence in the Greek and International market of electronics has won awards for innovative achievements and

for the high quality of its work. Our company has won 3 times (2004 & 2006 & 2010) the European KNX Award and the **1<sup>st</sup> Special International KNX award**. A great International recognition for GDS. Since February 2011, **GDS** is the System Partner of Schneider Electric in Greece for KNX system and a member of the BOD of KNX-Greece.

**GDS** is also the only Greek KNX developer company – member of the **International KNX Organization**. We develop KNX devices, methods and procedures for intercommunication between every automation system and KNX.

*Stay tuned and support GDS candidacy representing Greece in European Competition.*
